From The Dolt, asst mk el, Mysore

Forwards a copy of the resolution of the mk el dated the 22 nd Dec 1942 to the effect that Govt be requested to reconsider their orders regarding the grant of leave to the mk Councillors who are under detention in Jail etc.

1) The mk el have resolved to request Govt to reconsider their orders of Govt sanctioning the period of leave to certain mk Councillors who are under detention in jail to six months under section 12(2)(a) of the Mysore exp mk Act 1933

2). The Dolt has also enclosed a "Q" statement showing the names of the Councillors who have been granted leave & whose terms the date on which the six months leave expires

3) The Dolt requests early orders of Govt submd for orders with the connected file

5) The first resolution requests Govt to reconsider their order on the resolution of the Council passed on 31st October 1942, permitting the absence of members every month until they were released. The most benignant construction possible has been given to the original resolution, and it is not possible to comply ~~the~~ with the request of the Council, since such compliance would militate against the provisions of section 12 (2) (d) of the City Municipalities Act which expressly limit the maximum period of leave of absence that could be granted by the Council to six months.

6) The second resolution requests that in case Govt do not reconsider the question, such of the Councillors under detention as are willing to attend the meetings and who apply may be permitted to do so. This is a question of policy and not of law. Such of the Municipal Councillors as are under detention have been detained in the interest of public safety and security and it may not be possible to allow them to attend meetings without detriment to such interests.

7) The third resolution grants leave of absence to Mr. T Mariappa for three months from 2nd December. It is seen from the statement sent by the Presidency Asst. Mr. Mariappa has been absent from the meetings since 15th August 1942, and the ~~grant~~ leave granted by the Council extends till the 22nd of March 1943. The maximum period for which leave could be granted by the Council is six months but in this case the resolution takes the leave beyond

of "absence" contemplated in Section 12(2)(d) of the Municipalities (War Measures) Act, 1939.

There are such provisions in respect of the members of the Municipal Council, and I have also been asked to advise the State Department as to the substance of the instructions issued to the Municipality which should be communicated to the other Allies.

It is therefore for consideration whether it should not be announced that, in such cases of detention of members, the detention is not to be treated as absence disqualifying them from continuing as members of the local body, as contemplated under the Law, and no by-election held as if a vacancy had occurred.
